- Find some information about David Hockney. This should include facts about the type of work he is known for producing, as well as a little about his life.
- What do you believe are the most important visual elements in this painting? Remember to use words such as composition, colour, tone, line, texture, and to talk about the style he has used. Use your booklet to help with this answer.
- Hockney has used colour and composition in quite remarkable ways in this painting. Make sure you write as much as you can about the *effect this has* on the painting! The way he has guided us from the front of the scene, all the way to the back, is impressive, so make sure you comment on this!
- Finally, remember that the purpose of Expressive Art is to make us have some sort of reaction, or to express feelings about the
